This is the Future Land Use Map, referred to in Bylaw No. XX-2015, adopted by the Rural Municipality of Lake Lenore No. 399.

Note: *Potential Flood Prone Areas are based on local knowledge and requires further studies to determine the proper 1:500 year Flood elevation (floodway and flood fringe areas) as per the Planning and Development, 2007 and Statements of Provincial Interest Regulations. **Ecological Sensitive Areas are based on information from the Representative Areas Network dataset from Information Services Corporation's GeoSask website (www.geosask.ca).
