

CANADIAN FIREARMS SAFETY COUSE
CANADIAN RESTRICTED FIREARMS SAFETY COURSE

I am currently setting up my fall schedule to instruct those interested in attaining their Possession and Acquisition License (PAL).

Courses will be scheduled to accommodate a minimum of 4 to a maximum of 6 students per class.

Those interested in participating are encouraged to send me a detailed email to gikading@sasktel.net including the following information:

Full name:

Date of Birth:

Mailing Address:

Phone Contact #:

Once I know how many are wishing to take the course, I will set the appropriate dates and times with full information in regards to Course location and times via return individual emails.

I plan on having an in class course for the **Saskatchewan Hunter Safety Certificate** in the early part of 2025 after the students get back to school. S.A.F.E. offers on line course for those wishing to take the course in the comfort of your own home. The website to access this course is:
